

HOSTED BY  OLMSTED MANOR RETREAT CENTER

# ADDICTION CRISIS WORKSHOP **ADDICTION** AND THE CHURCH

*A weekend of education and conversation, stories from those affected most by addiction, and exploring the role of the church in serving our brothers and sisters.*

As a church and followers of Jesus, we are called to serve our community in crisis. Right now our community is deep in the struggle of addiction. The heroin and opioid epidemic is deeply rooted, and most if not all of us know someone affected by it. It's easy to feel overwhelmed and helpless. This retreat is meant to equip you and empower you to be a light in the darkness.
